DRESS REHEARSAL INFORMATION:

1. All students must attend dress rehearsal in order to participate in the concert. Students are needed for spacing and lighting cues.
2. Only ONE parent per student will be permitted to attend dress rehearsal.
3. Please be at the school in full costume and make-up at least 15 minutes before the rehearsal is scheduled to begin.
4. When you arrive, please find your class (designated by signs) in the audience and sit quietly until your class is called backstage. Be prepared to arrive backstage 5 numbers before your dance.
5. Each class will be assigned a specific place in the auditorium to sit while waiting.

Dress Rehearsal and Concert Instructions

Please remain in the assigned area to make line-ups easier for the backstage crew.

6. The rehearsal will start with the **finale**, in which all students must participate. After the finale, your child is permitted to sit with you in the audience, **REHEARSAL ONLY**, to watch the concert.

7. After your child rehearses they will get their group photo taken and you will meet them back in the auditorium, then you are permitted to leave (rehearsal only).

8. Photos and videos **may only** be taken at dress rehearsal. This ensures everyone has an unobstructed view of the stage and the children are not distracted during the concert. This rule will be strongly enforced this year so please inform your guests so not to cause a problem.

9. No gum, jewelry (including earrings), rub-on tattoos, colored nail polish, or underwear with costumes.

10. Names should be written in all costume parts & shoes, dance bags, etc.

11. Wipe shoes clean and tuck in all ballet laces, tie jazz & tap shoes in a double knot, and securely tuck in pointe shoe ribbons.

12. Please no bangs as it creates shadows on your child's face. Hair required to be in a bun should be covered with a hairnet. Secure headpieces by crisscrossing lots of bobby pins.

13. Please remember blush and lipstick (pink or red), neutral eye shadow (light brown, gray, etc.), mascara, and black eyeliner on older children. The strong stage lights make your child's face appear "washed out" and expressions hard to see.
